# Google Pickup

[Click here to check out the pick-up in Google](#) to see how many pages Google has discovered and indexed, which represents just a partial list of where your release and news has been published, shared and discussed.

## Keyword Rankings

### Recorded Keyword Rankings: 175

Our crazy tech monkeys have searched the web far and wide to find out what keywords your amp is ranking for. They worked hard and literally checked for hundreds of possible rankings.

Your amp ranked in the number one position in Google for 129 keyword phrases and was in the top ten for 161 phrases!

Below is a partial list of keyword rankings we were able to track. These rankings are a snapshot from the time we did our rank checking which was shortly after your release went live. These rankings are likely to change over time.
